## *Canadian Honker Catering*

### Choose the style of catering for your event

We cater to any size party – large or small.

- **Traditional Buffet**

Buffet style with our quality Paper Products

- **China Buffet**

Buffet style with fine china (includes dinner plate, fork and knife) (quality paper products will be provided for dessert and beverages)

### Helpful tips for a successful event....

- Tables and Linens

White linen table covers and skirting is provided at no charge for the beverage and food tables. Linens for all other tables (guest tables etc.) may be provided at \$4.00 per cloth, it would be your responsibility to pick the linens up 1 to 5 days prior to your event and cover those tables. Linen napkins may be provided at \$.35 per napkin unfolded and \$.50 per napkin folded

- Final number and payment

A confirmed count is requested 8 days prior to the event. Pricing is based on number of people; if your count should fall, the price would be adjusted accordingly. All caterings must be paid in full 36 hours prior to the event unless approved by a manager

- Regarding Leftovers:

Our leftover policy is based on the amount of people served. For example; if your count is 200 and we serve 200, we will choose what to do with the leftovers. If we only serve 175, you will receive the food for the 25. Canadian Honker is proud to donate leftovers you do not want to Community Food Response

- Clean Up

For paper product buffets, we will clean up around the buffet tables and the kitchen, as well as walk around and remove dinner plates from the guest tables. For china, the same policy applies, except we will clear all dirty china from the guest tables

- Wedding Head Table Service

Serving the head table family style; we will have table pre-set and will deliver food family style. If you have two people (teenagers or older) that would like to serve you, there is no charge. If you choose for us to serve you the cost would be \$2.50 per person at the head table

- Wedding Helping Hands

A host and hostess are required for large events to regulate the buffet line. The host and hostess may excuse people from the tables to avoid having your guests wait in long lines. It is also important to be within 15 minutes of your eating time to ensure the best quality of the food. For weddings please allow time if you are going to take pictures or have a limousine ride, etc. Be sure to include special people to serve cake, pour punch and coffee

- Wedding cake cutting package

Our catering staff will cut and plate your cake. Your momentas 1<sup>st</sup> Anniversary cake will be packaged and sent with you along with a complimentary gift and punch for a fee of \$100.00
